Today

What a wonderful word. It brings the feelings of excitement, joy, disappointment, confusion, happiness, and worry. Today brings about new meanings to each individual no matter what the age. It means the chance to strive for something really wanted. It often gives lasting memories of some small but important happening that could only be cherished by you.

Yes, today is something really special.

Today Is The First Day Of The Rest Of Your Life.

*The Many
Faces
of
Norma
Morgan*

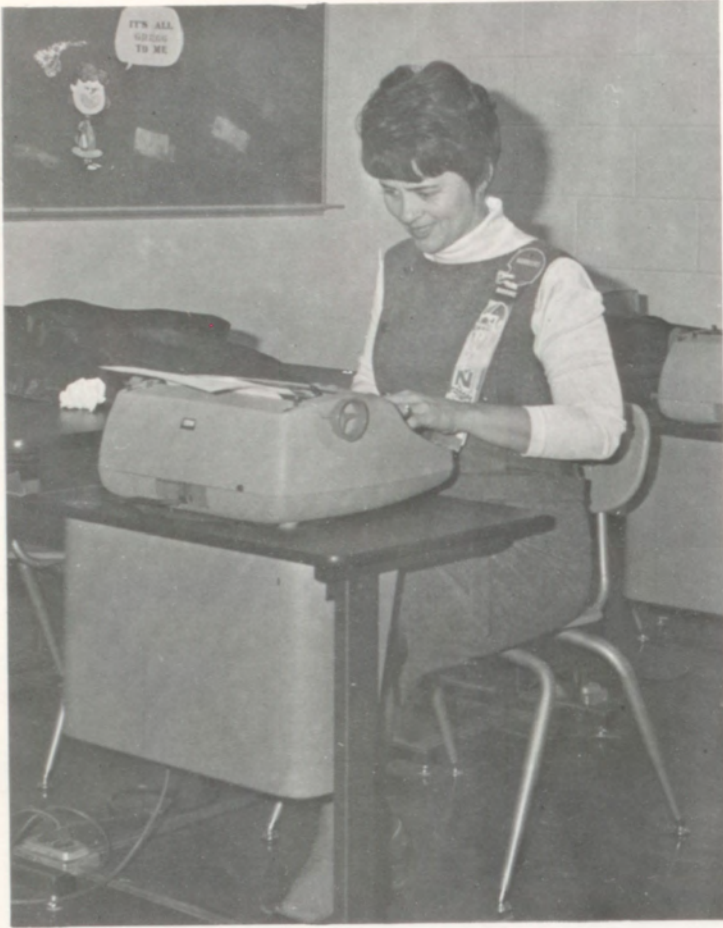

From laughing to teaching, or working to partying, Norma Morgan added much to the Spirit of BHS. Being both Sponsor of the yearbook and newspaper, Mrs. Morgan was always around when something needed to be done -- except this page.

The 1972-73 Coushatta Staff is taking this way of showing you "our Mrs. Morgan" and saying "thanks" to her for her endless time and talents in making this book a reality.
