Dear Eric,

Your negotiations with Harper Collins have my enthusiastic approval. Whatever else you do to bring things to the contract stage can be done by you without having to check with me. You're a maestro.

I fully agree. Until Brown Bear differences are resolved, Holt will not get another bear book. I do have some other titles under previous contract that I have to deliver to Holt, but that will be the end until they come up with solutions to the Brown Bear differences.

Happy travel. Call me when you return.

Love and good wishes,

Bill
