I never knew how until now I could fall in love
I never knew how until now I could call to love
I never believed never conceived

a kiss could be the beginning of time
But suddenly I'm alive with loving you

I never knew how until now I was filled with fears
I never knew how until now I could still my fears
I never cared try never cared why

the chance for romance always passed me by
But suddenly I'm alive with loving you

How do I say happy birthday to love

for this is the day my love was born

~~How do I make a holiday for love~~

~~and gather fresh roses to adorn him~~

~~every hour for the rest of my life~~

(Now I can say happy holiday to

and adorn his altar with

thanksgiving and happy
ness)

I never knew how until now I could treasure love

I never knew how until now I could pleasure love measure

I never knew how scarcely know now

how to free myself to the pleasures of love

But suddenly I must try by loving you

suddenly I must try by loving you
