Mill Valley 5/1/73

Hello Bill

Baum

Alph

It's springtime in the Valley - again  
and green, green all around. Any  
chance seeing you on one of your  
whirlwind tours out here again?  
How are things out east with you  
and the famous no-word story  
book series. Any proofs yet on the  
hunter story? I'm still greatly in-  
terested in it's development, and  
please reserve me a batch of copies  
when the time comes, like to buy them  
of course. Did a book on "The Expedition"  
but no word yet from Addison-Wes-  
ley about their final decision as yet.

Hope all's well with you and  
a good year is taking shape.

Yours  
Willi
