Dear Mr. Hucko:

On behalf of one of your best friends in Japan, Mr. Shoji Suzuki, I am writing this letter to you to inform you of his current situation as well as of his future schedule to visit your country.

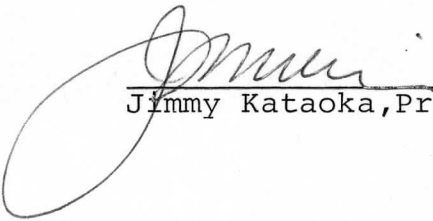

As you are well aware of, we have now a Jazz booming again in Japan, particularly a classic Jazz for the past several years and Mr. Suzuki has been quite busy to visit many cities to play almost every week, and this year is also a very significant one for him because of his 25th year wedding anniversary. Therefore, as the president of his fan club, I am planning to send Mr. and Mrs. Suzuki and also his playing partners to have them the opportunity to play at Carnegie Recital Hall on November 2nd, 1982 as the memory of his silver wedding anniversary.

November 2nd was already reserved by my nephew, who works now as C.P.A. in New York, however Mr. Suzuki strongly desires to have your kind assistance for this occasion, if you will be able to come to N.Y. at that time.

Needless to say, I will bear all of your expenses for hotel and transportations, therefore, I would appreciate it if you will kindly assist him from every angle and look forward to receiving your answer at your earliest possible date.

Please excuse me for my writing to you direct, but Mr. Suzuki requested me to do so, and if your answer is affirmative, I will try to visit you on my next business trip to U.S. and talk more about this matter.

Yours very truly,

Jimmy Kataoka, President
