Dear Peanuts and Louise

Just returned from a business trip to New York . . .

As I mentioned to you on the phone, we have another "Tribute to the Major Glenn Miller Army Air Force Band" concert on our calendars for Saturday, August 18th, 1990, with rehearsal to be on Friday evening, August 17th.

Of course, we are counting on you to help us make this another "great" event.

I need your confirmation that you can be here next August and the total cost . . . I'd suggest that you give us a figure that covers everything including rehearsal, appearance, transportation, accommodations, etc.

I did check your contract from the 1988 concert and payment was \$5000 for everything.

Please let me know your availability and costs involved as soon as possible, so I can get the ball rolling.

Ray McKinley has agreed to come back for "one more time". (I think I have heard this before!). We also have the Air Force "Airmen of Note" scheduled and have requested that they bring Bobbie McCleary, a terrific singer who performs another of the USAF Band groups. Ray has worked with her on another project and says she is great.

We really hope you can be with us . . . I'm looking forward to seeing you again.

Hope you have a happy holiday season . . . I'm off for Florida to visit the family this weekend and will be back in the office on 2 January.

Sincerely

Linda
