**EAST TEXAS
STATE TEACHERS COLLEGE
COMMERCE, TEXAS**

S. H. WHITLEY, PRESIDENT

March 21, 1944

Faculty Members:

The time of the next faculty meeting should in my opinion be given to a careful consideration of a post-war program for this institution and a program that will have to do with the general question of rehabilitation.

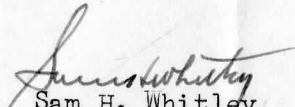

This letter contains suggestions that our next faculty meeting center around the following topics:

1. Plant improvements for post-war purposes.
2. Curriculum changes to meet post-war needs.
3. The importance, if any, to be attached to terminal courses for post-war purposes.

A faculty meeting for Wednesday, March 29, is hereby called at 4:30 in the afternoon, in room L-109.

On Saturday, March 25, an area meeting of District 8 of the Texas State Teachers Association will be held in the college auditorium. Faculty members are urged to be present at the program both morning and afternoon. Programs were put in your boxes several days ago. Be present if possible.

Sincerely,

Sam H. Whitley
President
