THE DRAGON
WANTS

YOU!

WHAT IS IT???

What is the IRHC? Well, it stands for the Inter-Residence Council that is made up of students like yourself from all over the housing system. This lively bunch of people put on hall-wide events such as movies, socials, free seminars, Rouser Week activities; they enter Homecoming parades, fund the individual halls for extraspecial projects they want to put on, they give and go to retreats, have parties, run a Judicial Board, help the Student Governments out, speak for you to the housing officials, lobby for new policies that the hall students want, and just a lot of fun and neat things all through the year.

If you want to join something to meet people and do some good at the same time, then this is the group to join up with. The meetings are on Tuesdays at 3 in Whitley's conference room, complete with some munchies for you hungry souls.

POLICIES

During the 3 years of IRHC's life, we have been responsible for helping the students get longer visitation hours, lifting the curfew in the women's halls, and legalizing alcohol in the dorm rooms. Also, we handle referred Judicial Board cases from the individual halls in our own Judiciary Board.

PURPOSE

The overall purpose of IRHC is to allow the students from all the University single housing to work together in developing programs and solving problems, with the hope of making the Residence Halls at ET a better and happier place to live.

OFFICE

Our office is conveniently located on the 1st floor of Whitley Hall right by the coke machine. The office hours are from 1:30 to 4:30 in the afternoon--although it's usually open longer because a lot of our members like to come and visit while they're winding down from a hard class day. The secretary's name is Robin and she can answer your questions and assist you in getting programs planned, so please feel free to stop by and see us.

ORGANIZATION & MEMBERSHIP

IRHC is headed by a President, Vice-President, Secretary/Treasurer, and sponsors from the University Housing office who also make up the Executive Council which acts as an advisory board to the organization. Membership is open to all students living in single housing at ETSU.

PRIMARY GOALS

1. To be a sounding board to and from the administration on student ideas, interests, and needs.
2. To push through needed and desirable changes and improvements in any way possible.
3. To make our residence halls more attractive through entertainment programs and social events.

AS YOU CAN SEE * WE'RE A VERY SPECIAL AND ACTIVE GROUP OF PEOPLE WHO LIKE TO GET THINGS DONE WHILE HAVING A GOOD TIME. SO, PLEASE COME AND VISIT US...I KNOW YOU'LL JOIN!!!
