The Lions were right Monday night and if they continue to act they will lead history to some of the other teams in the Long Star Conference.

After the first few minutes of play, East Texas took the lead and was not pressed from that time on. The half ended with the score 20 to 12 in their favor.

Although the game was not close, it was hard fought all the way and the Sam Houston team acquitted themselves admirably. Players fell down more than usually, and the ball was constantly changing hands from one side to the other.

When Deen really plays the Lions generally come through to great style. He can play the man-to-man game as well as any of the boys and is getting better at finding the ball.

The Lions were never in much danger of being overtaken, but the game was intensely interesting throughout. The largest crowd of the year witnessed the contest and was enthusiastic in its applause.

they blasted the Beahrtas show a few things.
Leonard Pickett played two seconds (more or less) and scored two touchdowns. He kept a basket from scoring though a crowd of five shots.

The Tumbling Club tumbled all over the court at the intermission, with only a few collisions.
Denton took Trinity into camp by a 34 to 19 count Monday night. The Eagles won by a good title contender.

According to the coaching staff, the struggle of the stands is about a good tight affair. A game is just the opposite of the way the coaches themselves feel. Haverstick, says Mr. Acker, is primarily a non-contact game, and the coach the players touch each other the nearer perfect they are getting.

Simpson and Hinesco did some things. Hinesco had played his regular game of defensive back ball, while Wade thrilled the spectators with his uncanny distance shot.

Danny Lynch did about the best job of refereeing seen in the local court this season. He moved around the court so fast that the boys and girls were on the jump to keep up with his decisions. This rapid work on his part added much to the interest of the game.

When Deen really plays the Lions generally come through to great style. He can play the man-to-man game as well as any of the boys and is getting better at finding the ball.
