Judge Ben F. Cathey Addresses Students Of College Tuesday

Judge Ben F. Cathey, of Quitman, Wood County, who has been selected as a representative from his district to the third Legislature, was a guest of Dr. H. H. Whitley Tuesday and spoke to the students at the chapel period at 10 o'clock.

Dr. Whitley introduced the speaker and in his preliminary remarks read extracts from the report of the legislative committee dealing with the question of the teachers' salaries.

Mr. Cathey declared his faith and confidence in the state and that he would never consent to an abolition or reduction of rates.

Mr. Cathey made a fine as an inspirational talk to the students at the conclusion of the address.

A number of Commerce business men were present to hear Judge Ben F. Cathey's remarks.

He was accompanied from Quitman by W. C. Proctor and Mrs. Susan, representative of Public Schools of Wood County, one of whom were former students of K. T.

What was Ed Egan (Bob) Jenkins that sick headache while visiting in Ft. Pleasant, Texas, and if you would not take the medicine that I have prepared for you, or maybe we had better see Ed Egan to explain this.

It is the opinion of the bones that he is planning on visiting in Ft. Pleasant, Texas, and if you would not take the medicine that I have prepared for you, or maybe we had better see Ed Egan to explain this.

What was Mr. Lutz telling Mr. M.H.M. an emphatically Tuesday or Wednesday morning.

We know that there are two women on the campus. Joe Kelly has two pop pennies in the vending machine.

Very Lee never saw a cigarette, reading out a message. What's the meaning of this, Vern Lee?

Calvin Brown seems to be on his feet—that is, he can hardly stay on his feet, especially when he is playing basket ball. But if a person just can't stay on his feet, he will never be the sport hero of his body?

Bob Adeworth, who had better start meeting Spahn before he gets any more of that "streak" game.

Stella Fisher brought the following article into the E. Texas office: "Cuthbert—then ladies, friends, and acquaintances of Jean, Roy, noddle! PLEASE take notice! This very popular young lady, who is a member of the E. Texas office, is in place of 2nd. Her name is Edna M. Cuthbert, 2701 Jones street."

John Thornberry, Stella, Pats, Chas. Roberts, Catherine, Ben and Maudie.

We hear that James Harris, manager of East Texas, has just returned from a vacation spent at the expense of the East Texas office. What did they find, you say?

Good! He said he had to work in this term, so good to be without his little negro number 8. The truth about the whole affair is that his father never let him be a teacher.

MALONEY OPENS SEASON OF B. B.

Students Tended to Close Out For Team; Will Reopen in Week of Credit.

Coach John "Bink" Mohoney declared that intention to have his ball team under way for several weeks. Eighty students working out, and making substantial gains in weight, were being instructed in the gymnasium. Last year's season aroused interest in taking up physical education, and the prospective backers of the team, G.O. Lewis' team was the champion in the first half of the season, but Pottas, Whitley won the conference. Student coaches received credit for practice teaching for their work and the same thing holds true for this year. This is a chance for some real experience and practice for all who expect to be coaches. If you are interested see to it that you are.

Lions Lose First Home Game Monday To Baylor 31-24

Fighting Without Without Loss; Hotshots, Rex Pats, and a Battle Before Seeing.

The E. T. Lion basketball team played their first home game of the season Monday night at the College gym against the Baylor team. The game was a close one, but the visitors to show all they had before going out to an early defeat.

The Lions jumped off to an early lead, but the visitors, led by Frank Panko, broke forward, gave the Lions a lead of 13 to 9. Toward the close of the game, Panko, forward, gave the Lions a lead of 13 to 9.

Recurring Mustang forward, led the shooting from the team, receiving contribution from the rest of the team. The Mustangs were high scorers in the game, with three points each.

Nothing in Game. Zachary and Lovens formed the scoring party for the Pottas in the last half. In the last five minutes of play, a new team entered the game, a new and general roughness was present.

Now, Freshman basketball star, in fact, some and Rikes showed up in the last five minutes of play, over other games of this year.

The next home game will be played by the Lions on January 9, Monday night.

PICKETT REVEALS SECRET MARRIAGE

Licensed Preacher of Ottumwa, Texas, announced Christmas, his recent marriage to Miss Katherine Pickett of Commerce, Tex. The couple married April 18, 1931, but the marriage was kept secret for two years.

Mr. Pickett has been coaching the Lions. He has had a successful year as a coach. He was one of the most popular coaches in the state.

EX-STUDENT GETS BETTER POSITION

Mr. Jennie Lee Allen, ex-Mulvey, has accepted an offer to teach at the school of the family at a salary of \$30.00 per month. She was one of the most popular teachers in the state.

CAPTAIN HURT

Old Conference Will Live For One More Year

Three Additional Institutions Come Into Competition.

The Texas Intercollegiate Athletic association held its annual meeting in Dallas, December 5. The members of this association agreed to continue the association for one more year. Nearly all of the former members have withdrawn and joined other associations or formed new ones. The T. I. A. A. was one of the strongest associations in Texas several years ago, but now it is going after one more year. Next year the association is to function only as a governing body and not as a controlling body. There will be no awards of championships in any of the major sports for 1933.

Dr. D. A. Frank, Chairman of the Athletic Commission of the Association of Texas Colleges and Universities, announced that he had approved the action of the association and also continuing one more year.

HISTORY CLUB TO CONTINUE WORK

The History Club will hold its first meeting of the winter term Monday evening in Room 305 of the Ed building. This club is very popular among the students and does much to promote a friendly feeling among the members. All old and new members are urged to be present at the meeting.

One of the purposes of the club is to develop more fully the local history of the area. The club members are urged to be present at the meeting.

Arvel Landa spent several days in Sulphur, Oklahoma.

Pauline Rogers has returned to E. T. after an absence of several weeks.

Ten Kisses Every Night Takes 21 Days From Life

If you know that each for each week for four years would you still do it? If you know that each for each week for four years would you still do it?

This question was asked several different people about the campus and the answer was a resounding "Yes" to the following replies:

"Oh, yes, it all depends on what you intend to do in the next 21 days of your life."

"What's 21 days in my young life? Let 'em go. I'll not waste my time on a thing like that."

"I'll say that getting old light, I know a man who knew a fellow who had an aunt that died at the age of 21. That's why they said that his mother's grandmother was a very busy counter in his day."

VIVIAN AND LITTLE ENROLL TO PLAY FOOTBALL FOR LIONS NEXT SEASON

Both Are Stars and Will Add Strength to Lions Grind

It seems that the local coaches are planning on winning several football games next year and have already started gathering up the excellent material to build a fighting team around. F. T. has enough successful seasons for one school, so his slot is to win a football championship for the Coach. Bob Sikes and Rollins are expected great things and will be expected to carry their teams.

Experienced Men Two new members for the 1933 season are that former star, boys, Little of Leonard, Texas, has proved his ball-playing ability on several fields. He was one of the best men in his district during his high school days. Next he proved his ability while playing for Burrton Junior College in Oklahoma last year. This year he is starting in another Junior College in Oklahoma. He is a consistent player and, like him, many should realize he is able to do things something worth something.

From Clinch The other one is a graduate of the Clinton grade who is Jimmy Hively of Clinton, Texas. This boy is already showing his ability to play football in the line for the East Texas team. He is able to do things which he will be plenty hard to keep out of his opponent's territory in the district. This year this young man just which the district. He is a consistent player on the largest team in E. T. He can also play in the East Texas Journal office. He is working there, that is when Clark is on duty. He is a consistent player and, like him, many should realize he is able to do things something worth something.

COLLEGE GRADS ARE READY FOR WHATEVER COMES

CINCINNATI, Ohio, Jan. 4.—Out of every twelve graduates, students has it—vision! So what? At the University of Cincinnati, the actuary of the Union Central Life Insurance Company, says that percentage of every college graduate who lives out his allotted time, says 25,644. In a recent special study of graduates, the actuary found that last year 22,000 college students took life insurance. The actuary says that 25,644 graduates of every college are insured. This, according to Mr. Koeppe, provides one of every dozen out of every student enrolled in the United States in planning his future life.

HOUDAN BORN OFFERS CONTEST TO NEW TALENT

In order to stimulate undergraduates to writing in the United States and to give more talent to the editors of American letters, the editors of the Hound and Horn magazine are offering a contest. The first annual prize of one hundred dollars is to be given to the author of a story or a poem, and a prize of fifty dollars for the best piece of verse. By undergraduate of any college or university, the winning story and poem will be published in the Summer 1933 issue of the Hound & Horn. All entries should be addressed to Undergraduate Contest, Box 66, 917th Avenue, Y. C., and must be received by Jan. 15.

Stratosphere of Earth is Source Of Cosmic Rays

ANN ARBOR, Mich.—(CBS)—Cosmic rays, instead of originating from the outer space, as is probably true, are probably coming from the earth's stratosphere. This is the opinion of a physicist, Dr. Arthur E. Chalko, of the University of Michigan. He said that he had been told by a physicist, that week told the University of Michigan.
