**It's fun to be fooled — ...it's more fun to KNOW**

Like to see through tricks? Then let's look at another... *Illusion* in cigarette advertising called "Cigarettes and Your Throat."

The audience is told that by certain magic processes tobacco can be made as soothing as cough medicine.

EXPLANATION: The easiest cigarette on your throat is the cigarette that is made from the choicest ripe tobacco. Cheap, raw tobacco, as you would naturally expect, hurts in their effects upon the throat.

It is a fact, well known by beef tobacco experts, that Camels are made from Near, MORE EXPENSIVE tobaccos than any other popular brand.

Camels are an anti-irritant as a cigarette can be because Camels use choice, ripe, tobacco.

And because of the matchless blending of these costlier tobaccos Camels have a rich bouquet and aroma... cool, delicious flavor.

Keep the air-right, *irritated* Humidor Pack on your Camels to assure yourself, and your companions a fresh, cool smoke.
