PINAL EXAMINATIONS

FINAL EXAMINATIONS

Now is the time for all good men to start to work, because final examinations are just around the corner, low many of you enjoy final examination werk anyway. The many of you enjoy final examination werk anyway is made to make a final grant of most its measure of the control of th Now is the time for all good men to start to work, because final examinations are just around the corner, How many of you egipe final examination week-nayway, and of most musual anisery, work, worr, and anxiety? Well after all, whether you enjoy if of not, just what are final artimanishes good for anyway? Several reasons alright, but some teachers have the idea that it is just to pix the failures for the term, so that the curve will work out

If there should be such things as final examinations given, why should they not come at the first of the term instance, why should they not come at the first of the term instances are considered in the standard standard in the standard standard in the standard standard in the standard

defit in each of their classes. Very often a student may oft an F in a course, because he or sile failed to pass the final, and he may know just as much as the students than and a good grade and went through with flying colors. In taking examinations, it is luman nature for one to cant his or her eye ou the next door neighbor's paper just to find out what happened in a certain year or something of the sort. What harm will it do, if the teacher as not looking!" they will now. Examinations on the contraction of the sort when he was the contraction of the contr will remember absolutely nothing about the course, ex-cept maybe what someone said that was really funny, etc. Examinations are unfair. Many students, who do not Examinations are unfair. Many students, who do not crack a book a single time during the term, can go to class on the final day and copy word for word Sallie's or Mary's paper, who have studied all term for the final, and make just as good a grade as they, and often times better. Final examinations are—but what's the use to go on because "what can be done about it!"

WHAT WE NEED MOST

Lest week an article appeared in this paper stating that the Library building was one of the liber in the state. This statement is no doubt true, and we are very produced it. But did you ever notice that there is not thing that it does not have unlittle do several of the other haidings) and that is just a little thing, something that abnoof every rull selood, light shooled or grammar-achoul away has. The thing that is being reterred to is a PENCEL SHAIL-PENNE.

the thing that is being referred to is a PENCIL SHAE-PENR.
Did you know that in the whole library that there are ut two penell sharpiesers? One of them is in the Lecust (first, which is locked most of the time, and the other is the tertibe broad most of the time, and the other is the tertibe broad most of the time, and the other is the tertibe broad in the time, and the other is the tertibe broad in the time, and the other is the tertibe broad in the state of the time of the penell sharpines when you need one. Most of the sta-ets are unable to a fixed an expensive lead penell, and then the lead gets broken in their penell, they generally are to do without one unless adulter can be borrowed. Help make the Locust rate the All-American way. The staff is working to produce an All-American Annual and they will have to have your cooperation.

There is no way to preserve the happy days of school life but through your Locust in pictures. It will be a thrill in future years to pick up your College annual and see the pictures of your many college friends.

The Business Manager is offering special rates for county club group pictures. See him at once and have your county club photographed together.

All information you need can be obtained at Howse's Studio, the official photographer for the Locust. And for the benefit of all students, may we stress that it is not necessary for you to be a senior to have your picture made now.
