Closing Senior week, an ambitious home-coming program will be held Saturday, May 15.

Certainly everyone should invite his friends who have failed to do so. It is a commendable closing exercise. The Seniors especially will be interested in this plan, since they have many friends who would like to have for home-coming and graduation.

East Texan Sports Parade

By H. L. SHERRY

WINNING everything that in any way resembled a relay, the East Texas track Friday afternoon and Sunday night. This year's tracksters took third place, while North Texas fulfilled expectations and easily won top position. San Marcos, with high expectations and a more even team, took second place.

Only six and some fractions points were awarded to the meet, which was arranged on a different plan from those that have been held in the past. In fact, the boys were put into two teams of four, and the girls were put into two teams of four. This was done to make the meet more interesting and to give the boys and girls a chance to win more points. The boys' team was made up of the following members: Mark Hitt, captain; Louis Walker; James Neilson; and Vic Lewis. The girls' team was made up of the following members: Billie Shive; Elwin Markham; and Frances Potter.

Several things of this week, which have been noted, was that the boys' team was made up of the following members: Mark Hitt, captain; Louis Walker; James Neilson; and Vic Lewis. The girls' team was made up of the following members: Billie Shive; Elwin Markham; and Frances Potter.

The beautiful events of the night were by far the most interesting, with amazing consistency. The boys' team was made up of the following members: Mark Hitt, captain; Louis Walker; James Neilson; and Vic Lewis. The girls' team was made up of the following members: Billie Shive; Elwin Markham; and Frances Potter.
