many states that are using a teachers retirement plan pay the pensions out in monthly payments, while others give the peasions out in montary payments, while others give the amount in a lump sum. Others continue to pay a monthly allowance after the savings of teachers are gone and in the case of death, if any money is left it

are gone and in the case of death, if any money is left is still either go to relatives or revert back to the state. Hegardless of exactly show the plan to be voted on in the fall election, will read, something must be done to provide for the future in such a low salaried pric-fession. It is, then, the date of every teacher to inform his friends and to vote for the Teachers Reirement Plan. There are enough teachers in Texas to adout any amend-There are enough teachers in Texas to adopt any amend-ment desired, if they do their share of the campaigning.

MAN WHO LEFT THE WORLD

BETTER THAN HE FOUND IT ...

BETTER THAN HE FOUND IT.

All ried journalists - that is, those who honestly belawe in the ideal of a free press—this week, planed a momont to say a word of regret at the passing of a real and
great journalist, Lincoln Nistferius.

Better words of the press. The press of the press of the press.

Better word, Lincoln Nistferius.

Better word, Lincoln State of the cortile service for an
better word, Lincoln State of the cortile better than beter word.

human strength and weakness, fearfeas, eruseder for a latter world, Lincoin Steffens let the world better than he found it. He accomplished his reforms through a plain, an interfect ordering of the facts. "Let in the Belt, and the people will find a way." was his notto.

In the people will find a way." was his notto.

In the people will find a way." was his notto.

In the people will find a way." was his notto.

In the people will be made to the people will be a played to make a played to the first be people will be a people will be people as he would be a better life for his people— the song of clean government, the song of freedom and the people will be song of a better life for his people— the song of clean government, the song of freedom and Steffens, and the people beard him and they acted.

Steffens, and the people beard him and they acted, as some clean government, the song of freedom and capital on hymnatic states a plain the people will be a supplied on the people will be a supplied by the song of the people will be a supplied by the song of the people will be a supplied by the song of the people will be a supplied by the song of the people will be a supplied by the song of the people will be a supplied by the supplie

s, friends, bonder. But this life-long hattle is its own reward when thousands one of the will be own from the world better than he would be the world better than the world better than
