Graduate Work Proves Its Right To Continue ...

There have been some objections in regard to the offering of graduate work in the Texas state teachers colleges; however, there are substantial reasons for four tuning this work which were in a recent news letter distributed by this college.

thaning this work which were in a recent near selter distributed by this coolege.

The master's degree, in now offered be any great from the was indeed entirely a teacher's degree; there are created for the purpose of training teachers.

Gridman work is being offered in the teachers cooleges in answer to a derignal that has come from the piellies whould that teachers shall load a master a degree in the cooleges in teachers. The continue teachers are created for the purpose of training teachers. The continue teachers are considered in the continue teachers of the co

Cary Grant says: "a light smoke rates aces high

with my throat"

five years now. I rate them a 4 star cigarette. They're always good to the throat, and taste so much better than other cigarettes that it seems to me this 'Toasting' process is a swell idea. Yes, a light smoke like Luckies rates aces high with both my throat and

An independent survey was made recently among professional men and women-lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, more than 87% stated they personally prefer a light smoke.

Mr. Grant verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies-a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat.
