## Garrison Pirkey, McDowell, and Morphew Score

By THOMAS STEELY  
**Paris Team** met April 1. Exhibiting a powerful ground attack, the East Texas Lions ousted to a 32-7 victory over the champion of Paris Junior College in the first spring intercollegiate game of Coach Bob Perry in the history of both schools. Five Lions, largely under the leadership of Coach Bob Perry at Paris Junior, were in the starting lineup. East Texas took the lead in the first drive.

The Lions scored immediately, marching "fifty yards" for the first score. Near the end of the first quarter, the Blue and Gold recovered a fumble from the East Texas players and counted again. Four plays and a 62-yard run took care of an interrupted Paris pass yielded the Lions their first score.

"Paris came to life as Coach Perry flooded the field with substitutions, with the aid of a varied attack and an opportunity to score. After being denied one, the Lions got the only touchdown in the second half with a surprising lateral display.

Former Parisian, Gordon Morphew, Paris Lightfoot and Dowdell were colonial standouts. Garrison, Pirkey and McDowell broke also among their teammates in the game.

Barrick Tully's kick during the first drive of the Paris 23-yard pass was returned to the field by the Paris aggression, pushed to Bill McDowell, who covered the ball for 29 yards. Line in an outstanding performance. The East Texas line as eleven carried the ball for two first downs and clinched the game.

The following kick-off by Backbuck's kick was caught by Morrison. Morrison held the ball 10 yards. Morrison's kick on the second down, Tully carried for no gain, followed by an incomplete pass for a third down. Sam Montgomery then kicked the decisive 27-yard goal which bounced over the Paris goal line.

On the first score, the Paris 20-yard line, a fumble was recovered by East Texas. Garrison carried the ball for 6 yards, while Tully gained 3 yards more. Morrison took the lead by covering the remaining yardage for a touchdown, making the score 24-7. Morrison's kick on the second down, Tully carried for no gain, followed by an incomplete pass for a third down. ## LION LOGIC

The old weather has thrown a few straws past Lion athletes the last week or so. The team has been hampered by a soggy track and dripping skies in the preparation for the "Big Game" Relays. Dr. Butler has been in the hospital for several days, and the team has been forced to hold workouts and postpone three consecutive meetings.

Coach Barry's appeal of football players preparing for Paris Junior College has raised a work out or so on account of the weather.

After assuming the greatest number of points ever obtained by an East Texas track team in the 200-yard dash, Coach Morrison's present Lion squad will be working with a squad from the University of Texas.

Jack Babb, coach of the East Texas Hoop, returned to Paris, Texas, and the team is expected to start in the latter part of the season.

Some twelve or more of East Texas' thirty elite, those who carry a "four" place, will compete tomorrow in the annual Texas Relays at Austin. Three relays, 800-yard and mile, and only one competition, especially arranged for the college class and the Lions will enter all of them. East Texas won the 800-yard event.

Other entrants will compete in the university and college division which will contain most of the finest athletes of the south and mid-west.

The "Big Game" locals had their first triangular meet, played last night at Stephen F. Austin and Houston.

TO FOLLOW CLASSMATES AND "YAL BACKERS" - I want to take this opportunity to thank all of my friends and admirers who were kind enough to give me their support in my candidacy for the office of the ugliest boy on the campus.

I want to tell all my supporters that they didn't make a mistake when they voted for me. I will prove that it was not just a "pull" but a vote for the State Champion. You can be assured that the iridescent colors of the Blue and Gold will be worn with pride and that I will do my best to bring honor and glory to dear old East Texas - I feel confident that I will win this race. I was elected "State Champion" but even if I do not, we will not lose without fighting.

## Margaret Sulavan says Luckies are the answer for her throat

"I am not sure which is more critical - a Broadway musical or the movie microphone. At any rate, whether in Hollywood or New York, an actress has to be certain that her performances are always up to the peak. And that means being careful of the voice and throat. That's why, though I enjoy smoking thoroughly, I try to use judgment in the cigarette I choose. When I first began smoking Luckies, my throat felt better. I found that Luckies are still my standby."
