Columbia Prof Says The Brain Does Not Deteriorate with Age

The idea that old folks don't learn new tricks was pronounced "nonsense" by a Columbia University professor...

The mind does not deteriorate with age, though it becomes slower in its response...

The belief that middle-aged people do not absorb knowledge as readily as the young is unfounded...

Good psychologists have made the unfortunate mistake of thinking that because there are differences in speed...

It is not true that as a matter of fact, a correction corresponding to the penalty that age lays on speed of reaction is speed tests was computed and applied...

The corrected raw scores show a plateau from ages 16 to 21 throughout the entire age range of their data.

Johnny's Pockets No Longer Have Anything On Co-Ed's Handbags, Holding Even Pajamas

Recent college news news of a change for harassed parents. Parents who used to worry over the little Johnny's pockets now have a new and different problem of face. They are confronted with all the malicious pranks of the boys who even in their handbag, are acquainted to reports they are practicing.

It is without doubt a problem for parents who will probably find it a nuisance if they find a little Johnny had to be practically stood on his head and the contents of his pockets dumped not every so often so they wouldn't weigh him down.

These contents often include rubber stamps for stamping letters, markers, chalk, ball caps, and other items.

Modern parents invest in that another terrific aspect of this problem is the handbags holding a horde for mischief articles. Where it was once known that whoever was misusing would probably turn up in Johnny's pockets, it is not now to hazard a guess as to whether the articles were in Johnny's pocket or in his handbag.

Modern parents invest in that another terrific aspect of this problem is the handbags holding a horde for mischief articles.

Bill Shetter's triple followed by Matt DeFries' infield out gave East Texas an eleven-inning victory over the West Texas Bearkats at Paris Tuesday afternoon. The seventh inning contest of the two clubs.

The East Texans jumped into the lead in the eighth inning when Morris Green pitched out, and scored on Gene Hodges' single. The Bearkats, in their half of the inning, tied the score, but the Lions got ahead in the ninth inning when Jerry Miller's double scored Hodges, who had pitched two singles and one double in the eighth inning.

The Park nine again repeated the feat by hitting into the field, and the seventh inning contest of the Lions was almost a foregone conclusion. The Park nine pitched in the eighth inning and cut off the Lions' offense.

Win or lose, the meet Saturday will be one of the season's most in the meet that was the most to the East Texans. There is no chance of winning the conference and the greatest confidence was placed in the team that has taken a number of the past number of years.

Adding to the interest of the appearance several of the athletes in this section of the meet. The East Texans will have the honor of competing in the Park, Grand National, and Bailey with the best of the West Texas team in this exhibition.
