YOUTH AT THE CROSSROADS
"These are troublens times." You have probably heard this phrase. You have probably heard this phrase. You have also let it slide off your consciousness with our allowing it to soak in. Whether we realize if or not, this oft heard phrase has ome significance.

some significance.

This problem of preserving peace has gotten around to the point where there are two definite points of view. One is known as isolation. The latter attitude is one needing little explanation. It is just the idea of tending to our own business—keeping to ourselves. The idea of collective security is the one which stands for all democracies or so-called-democracies standing togeth-er to stop the onward march of the Facist It is and should be the attitude of

th send soon of the attrace of the verywhere at the crossroads, to we the situation, study if from both gles, and then proceed as their judg-nt sees fit.—The Missouri Index.

WAVING AT THE ENGINEER .

WAVING AT THE ENGINEER.

A small by is ideal is, the engineer.
One of the greatest thrills of boylood is average at the blue oversiled figure at the saving at the blue oversiled figure at the saving back. The engineer is a baylood down. He constitute a basic blue. The engineer is a baylood down. He constitute a basic blue. The engineer idea is not a wave and of the saving and th

Chesterfield tobaccos Here's the reason so many smokers like Chesterfields .

Wait ... wait ... that's the watchword for

Thousands of casks of mild ripe Chesterfield tobacco are kept in storage all the time-every pound of it aged 2 years or more to give Chesterfield smokers more pleasure.

The mild ripe tobaccos — home-grown and aromatic Turkish — and the pure cigarette paper used in Chesterfields are the best ingredients a cigarette can have. They Satisfy.

hesterfield .. they'll give you MORE PLEASURE
