Quotable Quotes

"I assume that vocational and professional training, weighed in and rightly proportioned with other phases of education and daily living, is worth doing. But I do quarrel with overstressing used training to the exclusion of all other life values." University of Minnesota's Dean Malcolin MacLean okels vocational educations.

"Disinterested research cannot survive in an atmosphere of compulsion and repres-sion. It withers under the efforts of gov-ernments to impose uniform ideologies and to circumscribe in the interest of a domi-nant regime the area of intellectual life-stry." Baymond B.
