GRADUATES HELP EAST TEXAS GROW

East Texas students and graduates better on the merits of this year's crop.

In two more weeks over 400 students will graduate from East Texas State. This means that East Texas should have over 400 representatives to add to the already vast number in the teaching business.

Any local ex-student should always be grateful for any and every advantage which gives him the opportunity to try for a new center.

Seniors, you will bid farewell to your college career within a matter of days. You are starting out to face life as it really is. You will try to find your place in your particular field.

Perhaps you never intend to enter the portals of this institution again, but you will never forget it. No, of course you won't. You can't ever forget it. It's the experiences—the intellectual, social, or what not. It has played too great a part in the molding of the person you are today.

Our school boasts of one of the best athletic teams to be found anywhere, the most modern of libraries, the friendliest campus, the most understanding faculty, all of these help to make East Texas State the great school of the state.

No, you will not forget all of these things—simply because you are going out younger with a sheepskin tucked under your arm and glory. You will have to get a job to earn your bread and butter.

And when you ask for that job they are going to ask you what college you attended. It's your chance to proudly boast, "East Texas State, Texas greatest teachers college."

Later you will take your position in different surroundings. You will come in contact with people throughout the state of Texas. These communities will uphold you and respect you as upright teachers and citizens. They will want you to share your own educational matters with these people. They will want you to educate their children. Thus, again and again you will publicize East Texas State.

Yes, seniors, you are leaving, and there will be others to take your place. Most of you hate to leave because you have grown to love it. It has done for you, it holds it close to your heart all ways—and TELL THE WORLD ABOUT IT.

CLIPPINGS

"If you would love,

NOTICE TO THE LOVELLERS

Boys, you may think that you are as L. L. but South of Main Street, that means more laugh.

Girls, if your (alleged) boy friend treats you different than the others, don't think he is different, you'd better be looking for a different man.

Oh, say, sorry and fort about that, the astyans are who have done that!

This Week

LAST WEEK

We said IRA was football maverick. This week it was a little smaller. IRA WALKER drew a tipped right hand plus a few other little injuries like a bump on the head, but the grand stand couldn't tell that IRA even recognized the announcements that he must have felt.

WED BELLWOOD got a nasty cut on his nose, but there was no harm done. CLAUDE G. FROST and some other fellows got a little light on a long chase.

JOHN T. TALKER and HULLING LIGHTFOOT forgot as man and eleven men, plus they differ slightly and hurriedly down the field without passing the ball.

LONDON didn't notice at first, those who participated and will brighten the coming days in the fall when we have eleven football boys—GRIGGS, LIGHTFOOT, and WALKER, all of the old line up.

JIM CLARK'S SOUTHERN "GENTLEMEN" held their first game. The program was quite entertaining with it was comparable with the program they are given last spring.

Enjoys Work With Danalle

The gayest and most enjoyable picture I ever worked on in my life.

That is the way Douglas Fairbanks, Jr., James Earl Ray, and Danalle enjoy co-starring with Danalle Barkley, glamorous French beauty in her first motion picture picture, Universal's "The Sign of the Cross."

The picture is being shown at the Palace Theatre Sunday and Monday.

of course I'd see several of Miss Darmann's pictures in "Finger, Tip," when I was on the set at Universal in the first act with her in "The Trials." The "Finger, Tip" showed me on a couch feeling much dramatic about the dialogue lines that she made the story seem to come on a grand stand.

Independent Baseball Club Chalk Up Wins

Thompson stole home on a wild pitch in the last half of the ninth inning to endorse East Texas State's independent baseball team to continue their winning streak with a 12-11 win over Brenham last Wednesday on the college diamond.

The score was tied at seven runs apiece at the end of the sixth, but the Independents made three runs in the seventh and won in the eighth for a seventh win in a row. In the first half of the ninth, Brenham brought in four runs to tie the score before they could be stopped when Donahoo was thrown out at third.

Donahoo ran up on the last half of the ninth, Timmion, singled with a good infield hit, bringing third and second, advance third on Healy's single, and scored when the catcher missed a high ball.

Two home runs were recorded during the game by Earl H. Taylor and both in the seventh inning. Glen "Toby" Thornton, pitcher, recorded a long home run against the left field fence and Brenham knocked a home run in five minutes later, bringing in Leon Taylor.
