Openings for Pros in Opening Game

Fresh Gridders Rapidly Getting Into Shape Under Coach Malone

By John Hart

The young East Texas team, which opened its season on the Demos at Natchitoches, Friday afternoon, Friday matinee, and the outcome was highly encouraging. Normal old fashion open, aside from the time that the down was made, but most of the time the losses were greatly minimized. They were particularly forward, they decided to play around the center.

It is noteworthy that the best line of the day was given by the backfield, but the game in the first half, although it was in the winning line. The players all seemed to be in the "greatest back in the South."

East Texas scored its first quarter when Tully shot a pass to Hedge across the goal line for a touchdown. Tully's play was particularly good. A passing drive put the ball in position in the second half, and Tully carried over the side of the line for the touchdown. He kicked the point-after-touchdown.

As the third quarter opened, Louisiana's defense stirred his right end and ran six yardly yards for his school. In the fourth quarter started the victory. Tully made a 20 yard pass and Tully passed to White on the side yard pass. While White scored the first touchdown and Tully kicked the point-after-touchdown.

Down last Friday night the 1933 Louisiana football season was previewed on a gridiron that was held in Natchitoches. Under these adverse conditions the hopes of East Texas retaining the Lone Star championship received a considerable boost as the first half victory on the field necessary to walk off with a 20-0 victory over the Louisiana-Nova team.

The entire team was jittery from the beginning. As game began, East Texas started a fumble march which fit the same fashion as in the contest with St. Edwards last year. The boys were playing their habit match, and they had ever overcome for being on edge. When they got a firm hold on themselves and began to click with perfect pass to Hedge who stopped a passing drive put the ball in position in the second half, and Tully carried over the side of the line for the touchdown. Opening Game Scheduled With Paris Jr. College

S. M. U. Mustangs Down Denton 34-7 At Dallas Saturday

By Fred Wright

With their first game almost a month off Coach Maloney is putting his twenty-three (23) gradgridders through their workouts with precision this week.

Maloney's real material in college Texarkana's gift to East Texas State, Keam, Harris and Coffey. According to Maloney's estimate, Harris will be playing for the team, while Willard Harvin will also be an excellent cog in Maloney's team. Roy Gregory will make down the guard position with stamina and accuracy. Indoubtedly these Texarkana boys could have attended any college in Oklahoma. Born 19 year old Dobson Amberg, 19 month old back from Carlisle, Texas, seems to be the most promising backfield man Maloney has at hand. Amberg, with his own style of playing seems to possess the ability to fill almost any requirement to possess the position of a backfield player. Lovell and Hofflander come from Dallas with excellent high school records to back them.

Billy Joe Smith enters East Texas coming from under the high school guidance of Lloyd Kerbo, varsity's Ladonia field back of a few years back. Ex-student Hag Morgan also sends Melvin Draper, with his recommendations to join in with the Maloney gradgridders.

The froth have a four game schedule this year which will furnish plenty of competition for the first year men.
