Red's Editorial Dashies

First-year students proved last Thursday that they were backing the Lions 100 per cent. "In order to give the Berry men a big send off in the center once more, the group worked Thursday afternoon following a hotly-contested election. We went out to witness the affair but observed no "red" opposition. We thought perhaps it had been scheduled as a private celebration. But better back next time. Freshmen.

THE LUMBERJACKS

From Stephen F. Austin failed to come across with the necessary punch Friday night through the "red" campaign. We wonder if the S. F. A. Safety First Association will be back next year after such a heartbreaker last Friday night. After greeting the Lions to beat the Jacks by three touchdowns we believe the next to attack is our "Cahers". A little ridiculing of the "red" members will be to the benefit of the "red" members.

TODAY AT NOON

The East Texas Press Club is entertaining its members with a luncheon the College of Arts and Sciences. Mr. Charles DeVallo, Editor of the "North Star," and Mr. Vernon O'Connell, Editor of the "Abilene Reporter," will be the guest speakers for the occasion. Mr. DeVallo is the author of the "Lions' Game" and Mr. O'Connell is the author of the "Lions' Game" and Mr. O'Connell is the author of the "Lions' Game".

LAST FRIDAY NIGHT

Following the Stephen F. Austin game, the school officials closed the school offices leaving the gates at the hall with "Pass Out" tickets and then giving them to the "red" members. From our way of thinking rather than being nervous to let any student use your activity ticket and take a chance on it being confiscated at the gate. — If you have lost your ticket be sure and report it to the Business Office so a check-up can be made at noon.

ETEX PRESIDENT

During the season here tomorrow night when they take on the "red" members. The Maloney will enter the game as underdog. A large crowd is expected to be present from Paris to see the game. So fresh from the "red" members will be giving out tomorrow night and being the boys' big hand.

Etex Freshman Gridders To Meet Paris Junior College Thursday In Open Maloney's Squad Weak On Reserve Material

Harp's Extra Point Kick Decides Win

Athletic Director

By the margin of margin East Texas Lions defeated Etex Gridders 7 to 0. The victory was secured by Stephen F. Austin Lumberjacks has Friday night game first in their opening conference game to remain among the nation's undefeated teams. The Lions, who were defeated by approximately four thousand spectators.

The Lions first break of the game came in the opening minutes when Tom Tomberkas fumbled on their own 19 yard line paved the way for the Etex Gridders only score after the game. While plunged through field for nine yards and a score to Harp made a first down on the Jack five yard line. The Gridders number six line held two downs but on the third Harp scored a hole over left tackle and scored for the Lions. Harp's kick for extra point, which was later nullified by a scoring point of the game, was good.

Following the Lions kickoff the teams exchanged punts. The Lions began the first series of drive into Etex territory when they drove for sixteen yard pass from Roque into Tom Jones, and continued with a beautiful ball advance by McCraw to Bailey advancing the Lions to the 49 yard line. However, the Lions Gridders and Etex were tied 0 to 0.

Taking the ball on their own thirty yard line early in the second quarter the Jacks began their touchdown drive. They drove pass and a center plunge gave the Lions a first down on their own 42 yard line and three long passes to Tom Jones advanced the Lions to the 10 yard line. A fake pass settled the Lions on a punting play. The Lions drove a punt collected by McCraw to Bailey advancing the Lions to the 49 yard line. However, the Lions Gridders and Etex were tied 0 to 0.

Fast Texas State's first-year letter men with their blasting style of playing made a drive over the Denton High School line in the local courts by scoring all four singles matches and two doubles matches in straight sets. The doubles matches were master exhibition matches however, as in the No. 2 match Coach Marshall of Denton was ineligible and in No. 2 match Jimmy Freeman of E. T. was ineligible.

In the No. 1 singles contest Homer Dumbley took Cyril Thomson 4-6, 6-4, and in an exhibition doubles match known as Tyler to down Coach Marshall and Thomson in an exhibition doubles match 8-6, 6-2. Known with his powerful backhand Billy McCraw defeated Paul DeMotte after bowing to DeMotte 5-7 in the first set and winning two games in the second. Not being used to the local courts McCraw developed a terrific head ache resulting from the glare from the white court, and was forced to default.

Ted Grimes first took Jimmy Freeman 6-3, 6-3, and then pinned Jimmy Freeman to take McCraw and Freeman 6-4, 6-7.

The match was a perfect one of driving and smashing. Both men were equally successful in their team. Every member of the Denton team showed the same style of playing characteristic of their coach, Mr. Marshall. High backs, tricky placements and accurate service. On the court, the hard E. T. netball hit the hard three powerful smashes and blasting serves. This resulted a very interesting match and a win over brain and conservative tennis.

Coach Maloney will send his first year eleven on the gridiron tomorrow night at 7:35 to battle the Dragons from Paris Junior College with very few men left on the bench. Maloney has been terribly handicapped this year with a shortage of players and lack of veterans, but nevertheless he is pinning his hopes on two boys he "lipped" Everett Osborne Amburge, Willard Harb, Roy Gregory, and Jack.

To carry the E. T. position through the game with success. Greatest blame the freshmen have is the lack of offensive practice. They have been fortunate variety with a defensive team during workouts almost all season and have had very few workouts to work their offensive teamwork. All other drawbacks is the number of injuries the fresh have had this season. However Gregory will be back in the game and Harb's stayer may also participate in play tomorrow night. Everett Osborne will probably also be active according to the Dragons.

According to previous games the freshmen are slightly better than have probably the best team since Bob Berry dropped out. The freshmen are going to College to join up with East Texas as State.

The freshmen at E. T. have some good material this year, though the squad is small. However, this is the freshman's first game and hardly anything can be calculated from the first game until they come off the field tomorrow night.

The probable starting lineup for the Freshman team is as follows: Draper, Everett, Harb, Lyle, Williams, Harb, Everett, Amburge, Everett, Pearce.

ANOTHER CHAPTER WAS added to that old war on the comparative merits of a running and passing attack last Friday night when the Lions battled the Lumberjacks in the opening game of the 1938 Lions Star Conference race.

THE WINNING ONLY FOUR played the entire Jack game, the Lions presented a perfect picture of a team using only the line plungers, offensive pluggers, and an occasional end run. These plungers were fairly successful as line plunges go, but the line is few plungers go for enough. And ours were no exception. While Harb, Kirkpatrick, and Massey, each hit the Jack line and came back to the huddle, the report has the Jacks had a "forward" which was worth a point in the second quarter in fact wasn't even completely opposed.

DIRECTLY OPPOSED to the Lions' attack was the double line warfare conducted by the Lumberjacks. Their policy was to throw three players and down if you failed to make a first down. This really handled the pig skin. At the last of the game the Jacks even threw out a punting and three passes all four down and with the game rapidly drawing to a close they did even go into a huddle, just formed the line and passed, same formula as using a method of y. And in the battle went. The Lions generally would not have the Jacks coming over—all the Jacks coming past passers at will till they get to free territory and the Lions thinking up, that they inevitably bogged down.

ALL IN ALL, the Lions did with adequate beginning to what promises to be the most exciting football in the history of the conference. Wise betting: keeping their money in their pockets. Wise sports editors are finding plenty to talk about with out giving predictions. All you need a complete set of all year and they are all agreed it grows to be a close one.

ETEX NOTES—The Jacks' offense was a little better than the Lions' offense. The Jacks' offense was a little better than the Lions' offense.

Cowboys Beat Buffs 39-0 At Abilene

ABLENE, Texas.—Hardin-Simmons University Cowboys, after defeats by St. Francis and Centenary, broke into the win column here Saturday with a 39-0 victory over the West Texas State Buffaloes.

Four of the Cowboys' touchdowns were made on passes. The Cowboys scored twice in the second quarter, once in the third period, and three times in the final stage.

On the first play of the second quarter, E. T. Russell found a pass to Goodnight for the initial score. Before the half, Jack Goodnight, following a drive through the line and after forty-eight yards to score.

A wrist nerve came on a lateral and forward pass into the end zone. Goodnight hauled the fifty-yard pass and scored in the fourth period, for a marker. L. Ryan will score over 100 yards to score, and a pass to Parker accounted for the Cowboys' final touchdown.

She's made you laugh & she made you cry & she's, but you haven't seen anything until you saw JANE MATTHEWS take Holly Wood apart - and put it together again - when it's just what she does in the new 1938 Ford job, 'Keep Smiling'. Whether jobs are scarce or plentiful, the country will wish to be intelligent. In the light of what has happened in Europe and Asia, it is certain important that certain intelligence is most important when jobs are scarce."
