#### TRE, HES A HOME TOWN BOY

"Sure he's a home town boy," remarked an East as student the other day, "but I had no idea he was school here. I wish we would organize some county as so we could get re-acquainted with the students heach home who are back in school this summer." The East Texas is heartly in favor of the county

From back from was are back to school this dimmertion back from was are back to school this dimmertion back from many countied, and inframural backetlant
has even been organized according to counties.

Few organizations remain organized through the
summer, and authents do not have much chance for soclaims and then start seem competition of one kind or anclaims and then start seem competition of one kind or another among them for rehardint from studies that summer.

It is up to you. Get in touch with those you know
and they will probably know somehody eiter from back
home who would like to join with you once every week a
As soon as you organize your clair, report it to The
East Texan, and proper recognition will be given the first
the to be offeitably organized.

#### CELEBRATING FOURTH OF JULY

If the students that demanded that the college give them Monday, July 2, as a holiday and therefore classes releasely, July 2, would stop and think a 'himate, they Therefore and the students of the students of the July 4 should be celebrated on that day, and, no oth-er, veen if it does interfere with our plans a little bit. Dean Ferguson cannot interrupt the class schedule by granting the risk of some of the students to let classes meet Schurdey and have Wonday and Tuesday both off. The students of the July and not on the Third of July very the Proportion.

July and not on the Isn't that logical? and not on the Third of July or on the Fifth of July.

Co-ed: Am I the first girl you ever kissed? Freshman: Now that you mention it, you do look familiar. Were you at Steve's dance six years ago!!'

A good girl is hard to find. So is a collar button, as they usually roll under the dresser. That's obscurity. Obscurity is the unknown. So is a good girl . . . The Pine Log

"Old man, if your wife doesn't understand you there's no reason why you should continue living under the same roof with her."

'Oh, yes, there is. The maid understands me."

- "Your husband looks like a brilliant man. I suppose he knows everything."
"Don't fool yourself. He doesn't even suspect a

First Co-ed: "George has always behaved like a perfect gentle centieman whenever I've been with him." second Co-ed: "Yes, I've always found him a bit dull
