EXTENDING GRADUATE WORK

East Texas State had to tread slow in the offering of graduate work at first...

Soon this work will have to be carried into other fields with the eventual result...

Many students are leaving East Texas because they could get Masters work in their field...

Let us hope that the day when the M.A. and M.S. degrees will be offered in all departments is not too far in the future.

SPREAD THE WORD

Spread the word of East Texas State as you go into the teaching field this fall...

Since the King and Queen of England are lord dogs at Hyde Park, there has been a sudden sprig in the sale of the ten-cent delicacies at the New York World's Fair...

As summer usars the end of my students will be humming with my Precious Summer Couvertur... or Memorabilia...

Gentlemen may prefer blondes, but I think that the fact that blondes know what gentlemen prefer has to do with it...

Some girls will always be freemans; just like a 'fala' they fall for an 'of line, are hoodled and sunk.
