Red Cross Notes

The Red Cross, a great mobiliza tion for relieving the needy, has enrolled 16 graduate nurses.

Most people think of this society as being an organization for nursing the sick and wounded soldiers. It is true that the Red Cross nurses the wounded soldiers, but it does many more things to relieve suffering.

More than 20,000 French children are being cared for. Daily shipments clothes are sent to the wo men and children of Belgium.

More than \$5,000,000 worth yarn for making sweaters, mufflers and wristlets has been purchased. Surgical dressings, knit goods, ee fort git, all kinds of hospital gar ments, valued at \$36,400 a year are being made in the Red Cross rooms.

Five large military hospitals, great tuberculosis hospital near Par-is, and twenty civilian dispensaries in the American Zone are being oper ated.

Forty-five ambulance companies a total of 5,580 men have and put into the army medical service.

Besides doing all these things, the Red Cross has promised to ship to France 3,000,000 dresings a month for the next six months

The college unit of the Red Cross is not doing what can be done to-ward helping make these 3,000,000 dressings every month. Very few registered for work last week, only 100 bandadges were made. More work must be done. Come and help. REPORTER.

After un nour had passed in wild guersing at who was hidden behind the masks, Miss Doris Covell "an Indian maid," gave a brief history of St. Valentine's day. Miss. Mildred Mihills delighted the crowd with a beautiful story, "The Sale of Hearts." Following this the oneen of Fairles signated a "Turkish Maid" and the "Tennis Girl" as rivals in a cutting contest. The "Tu k" was successful nd was awarded a big red heart bearing Mr. Phillips' name. Shooting at apples with bow and arrow was a favorite game One girl, representing "Spring Has Come" stood defiantly behind a big red apple at which a handsome young man had aimed until he warned her that it was no cupid's dart that he had.

After the masks were removed many games were enjoyed, the most interesting was matching hearts and writing poetry. E. T. S. N. Music on Victrola, plane and violin was furnished throughout the evening.

Refreshments, consisting of hot chocolate, wafers and candy hearts were served to the jolly crowd. Those present as they registered were.
