Sheppard Is Career Day Speaker

John Ben Sheppard, Texas Secretary of State, was principal speaker at the annual career conference sponsored by East Texas State and the East Texas Chamber of Commerce on Feb. 8.

Democracy is founded on the fact that the individual is the most important thing in the world, stated Sheppard. He compared the preservation of liberty with a game. In his talk to the high school and college students.

"Everybody plays in this game—there is nobody on the sidelines, and there is no room for the players who are out of condition or badly trained," he said. "Get off the bench and warm up for citizenship."

Decay from within is the greatest danger threatening democracy, warned the Secretary of State.

Dr. James G. Oee, president East Texas State, introduced the speaker.

Gridders Start Spring Training Tuesday

Candidates for the 1952 grid team turn-out for spring practice Tuesday there for 30 calendar days of training.

Although 23 letters from last year's conference champion team are returned, only seven outstanding players will be left. The seven are graduating.

Among the graduating footballers are Lenzie Fontenot and "Cotton" Martin, two mainstays on defense. Among offensive standouts whose services will be missed are Johnny Hirsch, Charles Hademan, Ernest Stinson, Jack Hetherington and Charles Steck, who last year was voted the best blocking back.

Veterans returning who saw lots of action last year include Lucky Parks, Robert Johnson, Marvin Brown, most valuable player in 1951, Robert Williams, George Bowling, James Gray, John Owens, Lloyd Corder, Judd Ramsey, Thomson Price, Guy Broussard, Jim Penell, Wade Lambert, James Coble, best blocking lineman, Madison Knight, Keith Smith.

Robert Crump, Lem Jones, D. L. Ashley, most aggressive lineman, Billy Self, R. C. Moore, Thomas J. McCann, Duncan Thompson, Forrest Faver and Carroll Howell.

Two spring semester transfer students from Kilgore Junior college should help strengthen the team, says Coach "Catfish" Smith. They are George Riley of Dallas, Tex., and a member of the All-American team as a back while at Kilgore and Bernie Lewfich of San Benito, a bruising tackle.

Approximately 55 candidates are expected to turn out Tuesday. Among squadmen, whom

Coach Smith expects to carry a large share of the job are Gene Murty, Troy E. Taylor, Bryant Clark, Herman Murrer, Pasqual Valle, Junior Burns, George Glenn, Robert Emerson, William Smith, Albert Suttles, Kenneth Kimbrell, Oscar Pene, Sterling Hill, Harry Epperson, Donald Yates and Charles Buchanan.

Smith says that with good spring training we should have a fairly good outfit next fall. He continues that even though the schedule will be rougher next year because all teams will be gunning for the Lions, the local gridmen stand a good chance of being selected to the conference champs, especially if team spirit continues as it was last season.

Several high school star prospects are expected to look over the training sessions.

Gray Ashley
Co-captains for the 1952 Lions will be D. L. Ashley, tackle and James Gray, back, who were elected at the annual football banquet Jan. 14.

Coach Smith handed out awards at the affair to Marvin Brown, most valuable player and Charles Stewart, best blocking back; D. L. Ashley, most aggressive lineman; and James Coble, best blocking lineman. Only Stewart, who is graduating, will not be on the roster next fall.

Cotton's Pickin's

It was rather difficult to get the runs and cowboys off my portable, but with a little of my wife's cooking lad acting as a lubricant, I managed to meet the deadline for the East Texan o 1952. I'm still facing that ser erendous old question of who's gon read this besides our unlikes, proofreaders.

Spring Training
With the whistle of the final football game still ringing in the ears of fans, "Cattfish" Smith begins the job of rebuilding his '91 conference champions in spring training the 18th of Feb. The job should not provide too much of a problem with only six seniors missing from the roster. Quarterback James Gray and tackle Bruno Ashley will lead next year's potential eleven as captains.

I've been asked to inform all new freshman and transfers on the campus about wearing letter jackets. It's strictly forbidden!

State Golden Gloves
Wednesday the boxing team leaves for Ft. Worth and the State Golden Gloves. East Texas will enter the tourney with a fairly good team, composed of flyweight Arthur Tidwell, lightweight Lamonte Vance, welterweight Bud Phillips, middleweight "Cheeta" White, light-heavy Bryant Clark and some good named Martin in the heavy-weight bracket. E. T. stands a bum chance of winning the team trophy, but it has some tough obstacles ahead.

For getting a big over-optimistic and may wear the dunce cap (a little contrivance the boss worked up in case of poor prediction, but I'm picking the E. T. team to be among the top three in team points and to win at least one state crown.

Tourney Needs Backing
Bill Thompson, who writes a column called "Billboard" for "Paris paper, stepped a little higher in last Sunday's paper in a first place referring to the boys from Paris who a championship, Thompson understood the boy who was 'n't thanked for honoring. It should be a privilege for a boy to enter a regional Golden Gloves and have a chance of wearing the championship crown. And then there are trophies for the winners if the boys will be patient.

In other cities, entrants flock to the tournament; people turn out by the score and it is considered one of the largest sports events of the year. But in this section, newspapers care little about the event and give it only three or four inches of space a day or two before the meet. Hence few boys know about it, and only a few people attend.

If and when the press gets behind the Golden Gloves in this part of the state and give it glitter enough to tempt boys to really work and want to enter, it might become a tournament like other sections so proudly sponsor.

Program Was Run Well
The card was run off well, considering the number of fighters signed up to participate. The few fights that were, were run off fast enough, and the judges did a better than average job, with only one or two bunces or decisions, which always occurs in a tournament.

The trophies aren't too nice, but considering the situation that prevails, they are about the best that can be offered. No one wants to lose money. Enough explanation of Mr. Thompson, or do you want me to draw you a picture?

ROTC Rifle Range Opened to Cadets

East Texas State's 50-foot indoor rifle range was officially opened Monday. The indoor gallery is located in the hallway beneath the school's Memorial Stadium.

The range will serve a twofold purpose. It provides a place for the rifle team to practice and participate in shoulder to shoulder matches, and it is open to other ROTC cadets who wish to fire .32 caliber rifles.

At opening ceremonies, Dr. James O. Gen, president of the college, fired the first shot.

Others present at opening ceremonies were Lt. Col. Gordon I. Paulson, professor of air science and tactics, M-Sgt. Sam M. Wilson, instructor of air science and tactics and Otha Spencer, assistant professor of Journalism.

Under instruction of M-Sgt. Wilson, classes are now being taught at the new range.

BUBBA WHITLEY, freshman of Dallas, dibs out a right cross to Carl Finch of Greenville in the finals of the novice welterweight division of the Regional Golden Gloves tournament held in the Peabody House Jan. 31 and Feb. 1. Whitley won the bout on a decision.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

POOP PAUL was having a fowl time. Even his best gal didn't give a hoot for him. "Was she here me so?" he asked his roommate. "Simple, you stink old bird—became your hair's always ruffled up!" Hence Wildroot Cream-Oil hair tonic. It's non-alcoholic. Contains soothing Lanolin. And does two things: Relieves annoying dandruff. Removes loose, ugly dead hair. Grooms hair neatly and naturally all day long. Use less. Less is more. So why don't you cream-oil and now her's a "swiving success. So you will not create a taxi-remed to any drug or milky goods counter to get a bottle of the Wildroot Cream-Oil. Yes, your hair's back there! And ask for it at your barber shop. There's no reason how the chicks'll go for you.

Campus Interviews on Cigarette Tests

No. 32...THE YAK

"Some people will do anything for laughs!"

He's far too sophisticated to be amused by slap-stick comedy! From the minute the curtain went up, he knew that you just can't judge cigarette mildness by one fast puff or a single, swift sniff. Those capers may fool a frosh — but he's been around and he knows! From coast-to-coast, millions of smokers agree: There's but one true test of cigarette mildness!

It's the sensible test . . . the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke, on a day-after-day, pack-after-pack basis. No snap judgments! Once you've tried Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why . . .

After all the Mildness Tests...

To interest the scientific minded individual, the "Best Science Fiction Stories," vol. 2 is listed on the order.

For the sport's lover, Gary Middlecoff has written a story entitled "Gold Doctor." Sinclair Lewis "Dodsworth" is listed.

The girls may find "Home-making for Teen-agers" by I. E. McDermott, an interesting book. The library has also ordered some new encyclopedias. The title of these are "New Schaff-Hero Encyclopedia."
