An assembly will be held in the college auditorium at 9:30 a. m. J. T. Adams and his Orange Blossom special will be highlights of the program. East Texan Gets Award

The East Texan for last spring received 970 points out of a possible 1000 for a first class honor rating in the Associated Collegiate Press contests.

Prior to that time The East Texan received only a second class rating. The new mark is only 30 points shy of an All-American rating, which is the highest honor a college newspaper can receive.

Excellent ratings were received in balance of news, utility, news, treatment of news, news stories, organization, style, leads, features, editing, headlines, schedules, typography, front page makeup, inside page makeup and sports page.

Beard Pays Off For Journalist From Athens

A beard can be a profitable thing. That's the opinion of Guy Horton, senior, Athens, Ga.

When the Athens resident began growing his beard in preparation for Western Week, Oct. 22-25, his roommate, Kenneth Hall of Daingerfield, made a wager. Under terms of the agreement, the first to shave would have to treat the other to a show ticket.

Horton won a free trip to the movie.

When Horton again decided to support a growth of whiskers for the annual western celebration, his housemother decided that having a clean shaven jaw was worth the 30 cent price of Duds' permit to shave prior to Western Week. She agreed to pay the shaving fee, and Horton earned 50 cents on his second beard attempt.

"Every time I try to get school spirit and grow a beard, I get paid to shave. Guess growing a beard can be a profitable thing," he comments.

Here, a communications major, is associate editor of The East Texan, student newspaper.

New Paddles Added To Ping Pong Room

New ping pong paddles have been added to the recreation room of the Student Union building. Each of the seven tables has two new paddles. These paddles are found on the tables, but ping pong balls must be checked out at the window of the SUB office, states Mrs. Ethel Gillean, SUB director.

Excellent ratings were received in balance of news, utility, news, treatment of news, news stories, organization, style, leads, features, editing, headlines, schedules, typography, front page makeup, inside page makeup and sports page.

Noted Historian To Visit Campus

Dr. Walter Prescott Webb, professor of history at Texas university, will speak at the Western week assembly at 9 a. m. Thursday, Oct. 23. His talk will be on the Southwest.

Webb began his tenure with Texas university as instructor of history in 1918. He advanced to adjunct professor in 1920 and was made associate professor in 1925.

In 1933 he advanced to a professorial position which he held continuously except for occasional leaves taken to complete researches or to teach in universities abroad. He was appointed to his present position this year.

Four books have been written by Webb. His first publication, "The Great Plains," which came out in 1931, received many honors. It was listed by the American Library association as one of the 50 most important books of the year.

In 1946 H. M. Jones, in an article in the "Saturday Review of Literature," listed it as one of the 50 books of most importance in explaining American civilization.

"The Texas Rangers," published in 1935, was filmed in 1936 as the Texas Centennial picture with its premiere at Dallas.

His third book was "Divided We Stand." It was printed in 1937, and there have been three editions of it.

Webb's fourth publication was a "Tentative List of Subjects for the Handbook of Texas" which

was published in 1945. In collaboration with Dr. H. C. Barker, William E. Dodd or H. S. Commager, has written five textbooks. These are "The Growth of a Nation," 1928; "Our Nation Begins," 1932; "Our Nation Grows Up," 1932; "Building Our Nation," 1937 and "The Story of Our Nation," 1937.

A twelve-year project now in final stages of completion, "The Handbook of Texas," will be published by the Texas State Historical association. Another book, "The Great Frontier and Western Civilization," is now in the hands of the printer.

E.T. B' Drops 21-20 Thriller At Stephenville

Tarleton-State junior college squeezed past East Texas "B" 21 to 20 in a hard played game at Stephenville last Thursday night.

With only 60 seconds gone in the first quarter, the Lion Cubs grabbed an early lead when Kenneth Braden intercepted a Ploshoy pass on his own 38 and swept across the goal line. The try for the point failed.

After Tarleton had pulled into a 7-4 lead, East Texas again gained the upper hand when Fullback John Patterson ramed over to put the count 13-7.

The junior college lads took advantage of an E.T. fumble on the 10-yard line to make the score at halftime 14 to 13.

Tarleton counted again in the third frame, and trailing 21 to 13, the Cubs made an effort to spoil the contest out of the fire in the last period when Bobby Fox passed to End LeRoy Harry for a touchdown.

E. T. "B" lads were unable to break the 21-20 score in the closing minutes.

DOUG ETHERIDGE is Midwestern university's quarterback. A junior he has carried the ball 102 yards in 29 tries.

Nelda is winner of a \$200 scholarship from the P-T-A. Her only obligation is to promise to teach in Texas Public Schools for as many years as she holds the scholarship, which is one year.

Winner of the scholarship last year was Peggy Stephens who is still enrolled in E.T. The Mrs. Ann Neal of Blooming Grove, now teaching in Corsicana, held the scholarship year before last.

Lions Seek To Scalp Indians for 13th Win

Riding on the crest of a 12-game winning streak, Coach Catfish Smith's East Texas Lions will assume their usual roll as favorites when they venture to Vernon to tangle with the Midwestern university Indians Saturday night.

Midwestern has a record of two wins and two losses as compared with E. T.'s four-nothing count this season. The Wichita Falls outfit won its first two starts by beating McMurry and Austin college. Since then the Indians have had a rough trail. They fell victim to Abilene Christian 21 to 0 and last week lost to Hardin-Simmons 34 to 14.

Lions Win

Too, Midwestern has never beaten E. T., although the two clubs have met five times in the past. Last season the Lions won 46 to 26.

In comparative scores the Blue and Gold defeated the same Abilene Christian eleven that beat the Indians 21 to 0 by an identical 21-0 score.

Although everything points to a field day for the Lions, things may not be as rosey as they seem. The Indians have a big rugged crew with deception and speed.

Ward Leads Attack

Leading the Indian's attack will be 225-pound fullback Tommie Ward, a transfer of Tyler junior college. Last year with Tyler, Ward was all-conference and a star in the Little Rose bowl.

Another outstanding performer in the Midwestern backfield is speedy halfback Jack Robinson.

In the line, Coach Dixie White has pass-snagging Bill Paul Thomson back at end. Thomson is a two year letterman of Altus, Okla.

Stiles Anchors Line

Jess Stiles, all-conference last season, anchors the middle of the line. He weighs 265, stands 5-feet, 10-inches in height and hails from Clarksville.

Lions Claw Lamar Tech In First Conference Tilt

As quick as a cat, East Texas Lions leaped to a 7 to 0 lead and went on to claw Lamar Tech 48 to 0 in Beaumont Saturday night.

Wizard Quarterback James

Gray led the Lion's attack as he unleashed his magical powers in the form of rife passes and deceptive ball-handling behind a front of solid-socking linemen. Gray passed for a pair of count-

ers and turned loose a trio of high-stepping halfbacks to rip Lamar's vaunted defense to shreds.

Brown Stars

Halfbacks Marvin Brown, George Riley and Judd Ramsey, accounted for 143 yards and four touchdowns on the ground. Brown also hauled in an aerial for a score from 58 yards out. Lamar Tech's great little 144-pound halfback was held to a gain of 8 yards in 16 carries by E.T.'s massive forward wall, led by Bruno Ashley and Robert Crump.

A crowd of 4500 came to its feet with the game only 34 seconds old when Brown took a hand-off on the Lions first-offensive maneuver and skirted 16 yards for a score. The play was preceded by a Cardinal fumble which was pounced upon by Carroll Holliday.

Quarter Ends

From then on the first quarter was a scoreless duel.

E. T. opened its championship vaives early in the second quarter when Gray found Brown all alone in the Cardinal secondary with a bullet heave, which the speedy halfback halted in and crossed the double stripe untouched.

Still in the second period, the foxy quarterback found End

Look at the Lions!

WAYNE COUNTER, 148-lb. halfback for Midwestern, has chalked up 295 yards in 21 carries. He is a sophomore of Barkhurst.

Brown Scores

The Lions leaped fast in the third quarter as Brown took a reverse hand-off from Glen Johnston on the kickoff and set sail on a 90-yard gallop to the promised land. It was the longest run of the game.

Minutes later Riley went through a gaping hole in the left side to pay-dirt from the 23-yard line.

Shortly before the period ended, the Lions browsed 68 yards in eight plays for another TD. Ramsey plunged through left tackle to score standing up, after an 18-yard Gray to McCormack pass had placed the ball on the 10-marker.

Lions Stopped

E. T. was halted on a drive to the Redbird 15 early in the fourth, but found the range later when John Owens passed to Lucky Parks for 44 yards.

Fullback Lloyd Corder connected with six out of seven extra point tries.

Old Victory Bell, which is more than 70 years old, was brought to the campus by William L. Mayo, founder of the college.

One of several rugged linebackers that has stood out for East Texas this year is Bryant Clark, a 180-pound, 6-foot, 2-inch center.

A senior of Lamesa, Clark is carrying his second letter at E.T.

Sharing linebacking duties with R. C. Moore and G. A. Glenn, Clark has been one of the Lion's most steady performers.

Halfback Glyn Johnston is a member of Coach Chaffin Smith's bumper crop of junior talent.

Johnston is a 160-pound, 4-foot, 10-inch speedster.

A junior of Gladewater, he plays either offensive or defensive.

Robert Crump plays tackle for the Lions.

A 205-pound two-year-letterman, Crump is a senior of Terrell.

He can play either offensive or defensive tackle.

Speedy, powerful and a good blocker, Judd Ramsey is a jr. halfback of Dallas.

Last season he was a regular halfback, although an injury kept him out of several contests.

This year Ramsey shares duties with the E. T. touchdown twins, Marvin Brown and George Riley.

Miss Josephine Williams, resident counselor and director of the textbook store, is ill in the college hospital.

Lou Ann Huri was called to her home in Clarksville Monday by the death of her father.

E. T. Museum Makes Western Week Plans

The college museum, located on the third floor of the library building, will word hand-in-hand for the coming Western Week celebrations, announced Martha Hankins, instructor in history.

Articles used during the "rip-roaring" days of the old West will be on exhibition in the museum during the week.

One can not think of the West without Indians. On display will be Indian pottery, baskets, spears, bows and arrows, arrow heads, pipes and hoes. Colorful jewelry and wampum will be displayed. And to bring back these historical raids and massacres, Indian bones and fossils can be seen.

This was the time for men (and women too) to carry their six-shooters. On display will be powder horns, powder measurers, powder gourds, chargers, pistols and shot guns.

On the open range, branding irons were always hot for use. The museum has some cool ones for display purposes. Saddles, saddle bags, pill bags and dinner horns were standard equipment with "Old Tex."

One cannot forget the women of this era. On a horse, they were ready for adventure, but in their homes, they looked beautiful and feminine in their hoops and bustles. Riding dresses, high top shoes, and other articles will be shown.

The typical western home had its candle mould, coffee mill, sausage mill and other vessels ranging from iron muffin rings to iron wash pots.

All of these relics will be displayed for the benefit of the students, states Miss Hankins.

Beards Committee Tells Stiff Policy

A get tough policy has been announced by Bill Hunt, chairman of the committee on beards for Western Week. Last Saturday was the deadline for the purchase of shaving permits, and names are now being taken by committee members for places in the horse trough line during the three dunking days.

Hunt explained that beards must be at least two weeks old to remain dry, but permits are still on sale and a 50c permit purchased at the SUB can still ward off a cleaning and preading bill. The law states that not only must it be bought, but also worn at all times while on the campus.

and Accessory Organs not Adversely Affected by Smoking Chesterfields

FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

For six months this group of men and women smoked their normal amount of Chesterfields - 10 to 40 a day. 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

At the beginning and at the end of the six-months period each smoker was given a thorough
