# His Book

By E. M. O'NEIL

Owing to the vastness of the subject I am unable to fully discuss the campus activities in so short a column as I am afforded by the Editor.

Last week a girl's dance was held at the college and was well attended. More are on the list for future entertainment, every one present reported a good time and many did not know about it owing to the fact that I had advertised was done by the sponsoring. The Junior Class of last year promoted the affair.

**CAMPUS ACTIVITIES ARE BEING** to include the county club meets and practically every evening group can be seen at various parts of the campus chatting and discussing. These meets it seems to me about of great benefit to all those taking part. Next year when the main club members are back in school not so far distant and a few club member is doing the same thing, it is safe to say over and have a little chat or tell a tale as the case may be. Anyway I will go for the County clubs and their betterment if this can be helped.

**PROSPECTS FOR THE COMING** football season are bright. The season opens with the advent of some of the better players and the team will be at work at the various places in the county. The title and relationship with the freshmen students. Stringer is the first to show up. Other is the title and relationship with Harold of the same family name entitles him to all respect and admiration to the team. He is a former member of the County basketball and football teams respectively and strength for both sports. E. T. Oliver is by the way. Asst. Postmaster of some such position at the establishment erected and maintained by Uncle Sam.

**A HOT RACE IS ON IN THE** League this year that promises some thrills for the fans before the season closes in September. For instance there is not a much difference in the top club and the bottom club as there is in the top club of the second place club in the American League.

**Ground on the floor in the Art Department.**

As the Art editor would have the costumes of two E. T. students.

**LAST THURSDAY NIGHT** a meeting was held by the members of the East Texas Staff for the purpose of organizing a Press Club. The meeting was held at Ross and Hills. Officers were chosen at the meeting and the following were selected to fill the various offices: Editor, Charles E. Carruthers, pres.; Sam Marshall, V. pres.; and Margaret. The purpose of the club is to be a live organization in the future from all indications as the initial meeting was a success.

**LATE hours are being indulged** in by the force at the Library.

**THE COTTER'S SATURDAY NIGHT**

**Cotter's Saturday Night To Be Presented Here By Scottish Player's Group**

A famous Musical Play, "The Cotter's Saturday Night," will be given June 27, in the New Auditorium by one of the best Companies of Scotch actors and singers in the East.

The Company is lucky to have the company since it plays in the 25 best cities in the U. S. When they play in Washington, President Coolidge, who attended the performance, was so impressed that he invited the entire cast to the White House.

The play is arranged by Mr. John Daniels from Robert Burns' immortal poem of the same name, and combines humor, sentiment, pathos, philosophy, and pathos. He who is a Scotchman will find the singing, "Annie Laurie," and other native Scotch lyrics by voice and song. The Company is made up of experienced, one of the finest actors ever heard. He who is a humorist will roar with laughter at the drill Scotch tales made fun of by the humor in which they are told. A lover of drama will appreciate the charm with which the play is told. It is a beautiful poem. It tells the life of a Scotchman, the life of the Cotter's daughter.

All of the company are Scotch, two of them being native born. Who plays the role of Scotch people. Edith McGraw, Margaret Anderson, the Cotter's wife, is the mother of the song writer responsible for "When the Red Robin" and "Side by Side." Miss Mack, the soprano, recently appeared in an engagement at the Knickerbocker Theatre, New York City.

The play has received excellent press comment. The Chicago (N. Y.) Herald says: "The Cotter's Saturday Night is the best play of the season." The St. Louis Post-Dispatch says: "The play is a masterpiece of acting." The Southeast Missourian notes: "In the days of the problem play, the mystery, the sophisticated drama of acting, in particular which keep the audience on the edge of their seats every phrase, hidden meaning, and punning, the simplicity and

**BY MARGARET OWEN**

It is not every day that one has the occasion to see a "Loudspeaker" in person. The visitor has the opportunity to interview him. Thus it was with a well-defined feeling of interest that I was introduced to the "Loudspeaker" who acknowledged the introduction to a small, dark haired, dark eyed young man. The visitor ran true to type—that is, the type of one expects of a "Loudspeaker." He was willing to talk, well-poised, and decidedly humorous, but not one quality was lacking.

Mr. Huang is an active leader in the "New China" movement. He has organized and directed student activities, particularly in the boycott of Japanese goods. He also had some part in strikes. Just now he is engaged in studying for his degree in law. He is also familiar with Japanese government.

# CRITICISM OF AN UNADVISED PERSON GIVEN BY WHITLEY

Dr. S. H. Whitley, President of the College, in his address to the students at chapel Saturday morning, gave the following criticism of the educated man:

1. He keeps his mind open on every question until the evidence is all in.

2. He always listens to the man who knows.

3. He never laughs at new ideas.

4. He cross-examines his day dreams.

5. He knows his strong point and plays it.

6. He knows the value of good habits and how to form them.

7. He knows when not to think and when to call to action to think for him.

8. You can't sell him magic.

9. He lives that forward-looking outward-looking life.

10. He cultivates a love of the beautiful.

**Blankenship To Try For Scholarship**

Forrest Blankenship, fifteen-year-old Freshman, had yesterday for Austin, Texas, where he will enter examinations for the Edson Scholarship.

The requirements for this scholarship are four years of high school science, college standing, and no conditions on grade records.

Every high school in the State is allowed to send one member to Austin to enter the examinations. So far only about one hundred high schools have sent entrants.

At Austin, the student shows the most ability in scientific work will be chosen to go to Menlo Park, N. J., with one delegate from each of the other states, they will meet Thomas Edison, who will attend Association of Young Scientists of the world of them to work with him. Edison plans to educate and choose and have him nearly as possible to fill his own shoes.

**PAST STUDENT COUNCIL HOLDS MEETING AGAIN**

Faculty of '27-28 Rally at Pharmacy; Resolutions Drawn Up for Annual Meeting.

Celebrating past memories, the Student Council met 1927-28 held a meeting in the College Building last Friday. The Student Council for this year, which was organized at the meeting, had representatives from the Faculty of 1926-27, the group held a short business session.

At the meeting, the members of the old council arranged for a series of letters; one will be written by each member and to be passed around to the other members, they are allowed to the Council to benefit by the same letter.

Miss Madeline of Mount Pleasant, the Berrie Brown of E. C. Bryan of Bryans Mills, Tommie Denton of Lound, and the family of Jones, Tillery, Pittsburg, and Merle Shilsh, Howard, have all been in the hospital at some time in the past week with various ailments.

**CONCERNING YOUR CUTS**

From remarks made by students during the spring term, it appeared that at least a few misunderstood the meaning of the rule that governs excusals. Rule No. 4 reads as follows: "Any student is permitted to take three cuts each quarter in each of his courses." A fourth cut in any course will reduce his grade in that course ten points. Each succeeding cut, five points. No excuse whatever will be accepted for excess cuts than serious illness. Students who are too ill to attend classes must at the time of their illness report their condition to their Dean."

This rule must be interpreted as follows: "The student must bear the first three cuts in any subject, regardless of the reason for his absence. After these three cuts no absence can be excused except for illness." A few students have thought that they could take their three cuts after having taken three cuts because of illness. But this is not true. Only sickness can be accepted as an excuse after the first cuts. If a student is ill and takes any number of cuts, over cuts may be excused providing his house mother or telephone to the Dean's office during his illness, so that he has reported his condition to the Dean.

It will be to the advantage of the students for them to give this matter careful consideration before taking cuts in their classes. Cuts are arranged for those who really need them, not for those who simply do not wish to attend classes.

**HINTS**

A number of people have been considerably at a loss when it comes to writing up a story for publication. While the writer does not pretend to be a professional on the subject, observation of the following rules will aid the beginner:

1. Never begin an article with the time element unless it is extremely important.
2. Never begin an article with "she" unless unavoidable.
3. Avoid trite expressions and words.
4. Never use a personal style of writing, such as "me," "we," etc.
5. Always begin your story with the climax of the incident.
6. In longhand underscore your "a's" and over-score your "o's".
7. Tell your story concisely. Never use two words where one will do.
8. Always be specific.
9. Avoid ambiguous sentences.

**LIBRARY RECORDS BROKEN THURSDAY**

1,945 Books Issued to Students; 333 More Books Than Ever Issued in Single Day.

All previous library records for the largest number of books checked out during the year by the staff of E. T. S. T. C. in a single day were broken Thursday, June 13, with a total of 1,945 books given out on that day. By a strange coincidence June 13 was the high record day for 1928 also. At that time the number of books read by the patrons was 1612. Figures on the library books show a steady increase in circulation with the increase in enrollment records. The number of books checked out in 1928 on June 11, 12, and 13 respectively were 1478, 1484 and 1612. For the same time days in 1929 the figures were 1671, 1882, and 1812. Education and social science books are in great demand. This summer over seven hundred such books are checked out on any day. Literary diversion is not much sought after by the serious minded students. Only eleven books of fiction were asked for on Thursday, the record day.

Each Month the total number of books checked out of the library is quite large. This year the figures are: January, 17,230; February, 14,000; March, 12,947; April, 12,548; and May, 20,646. All indications seem to be that the June total will far exceed the one for May. With so many books checked out each month, the paucity of convenience of the new library will be of great satisfaction to Miss Williams, the librarian, and to her nine assistants.

The Old Gym, long noted for its many successful social events again held to precedent Wednesday evening, when an old-fashioned barn dance was held within its walls in spite of the fact that the temperature was far more appropriate for a sports event, a large number were out, and apparently enjoyed the dancing to the fullest extent. It would have taken experienced callers of '76 to rival the callers of the different square sets of the evening, and judging from the number and ability of the dancers, square dancing is fast becoming popular in E. T. Preston Harrison and his three merry makers provided the music for the evening and received many well-earned compliments. Some of the specialties for the evening were the dancing of the famous Virginia Reel and a square set, in which the deans and faculty members of the college took part.

The dance was a success in every way, and the Kaufman County Club should indeed be complimented.

**AGRICULTURE YEAR BOOK OUT**

The 1928 Yearbook of Agriculture is now being distributed by the United States Department of Agriculture. This volume is the third of a series distinctively characterized by short articles reporting recent developments in agricultural sciences and practices. Intended primarily for the general reader rather than for the technician of the student, the book is varied in content and nontechnical in style. It contains articles on most aspects of farming from soil preparation to marketing.

**COLLEGE LIBRARY BILL IS PASSED BY STATE SENATE**

Senate voted 27-10 for New Building. Later, Ref. red to Free Cent. Educ. Com. time.

The Senate has passed the library appropriation bill for the local college grants to the East Texas State Teachers College \$275,000 for the erection of the building. Upon receiving the house bill, providing for \$220,000, the Senate substituted its own bill, which provides for the larger sum. The matter will be referred to the free conference committee, which will settle the final amount to be given to the local college on Tuesday, it is believed.

Before the bill can be signed by the Governor, however, the difference of the two appropriations must be settled. It is possible that the bill will not reach the Governor for a week, due to the fact that a number of investigations concerning other matters are being made by the State committee.

The Senate bill was passed late Thursday. The house bill was passed two weeks ago. This bill provides for necessary funds to construct a library building on the local college campus, to house the library and several class rooms. With only the present buildings, the E. T. S. T. C. teaching faculty is considerably hampered by lack of space, and the new building will greatly increase the scope of the college work.

## SPIRIT SOARS WHILE CLUBS ARE ORGANIZED

Club spirit is booming on the campus. Almost all sports clubs have organized and a few more making plans. The K. Kappa Kappa Kappa Country Club returned things rolling with a big party on Friday night. The other clubs will be seen in action soon. Basket ball promises more than that ever with nine strong teams already signed up. Officer organization and better material are characteristic of this summer's tournament. Games begin next week, June 24, and on each Monday, Tuesday and Friday nights at 6:45. Two games will be played. Joe Murphy will referee.

## FANS DISGUSTED DOPPE ON GAMES

Campus chatter shows Hopkins fans are not happy with one of the favorites for this season. "Undated since '71 and since the '72 season," says the "It is their game. Hopkins' roster is plenty good," says Adam Burns, Benton, Bishop and Campbell, all Ex-Cubs, and Coach Williams. Bissett, Bland and others for supplement.

Casie Johnson losing Hamilton, Fine, and Red Long, all flashy players of last year, still have plenty of strength. Casie is depending on Olas and Duncan. E. T. Letterman, Cash and Bentley keep Bloomberg, Ringers, Stokes from Bibian Ringers, H. Humphrey, Mason Palmgren, and others to make somebody play for this year's title.

Fannin, though a cellar club this last year promises strong competition this season. They boast of strength. Casie is depending on Olas and Duncan. E. T. Letterman, Cash and Bentley keep Bloomberg, Ringers, Stokes from Bibian Ringers, H. Humphrey, Mason Palmgren, and others to make somebody play for this year's title.

Wood County winners in '72 and one of the leaders had here, have a large following from this section, backed by a peppy club. Coach John Pink has some real talent in Cruse and Acker, E. T. Letterman, Ragsdale and Shanburger, Ex-Cubs, and Henson, Browning, Black, Smith, Sellers, Goodley, Gaston, and Dickson.

Kaufman County promises opposition more than ever before with their last year's squad back and some real re-inforcement in Burns and Vincent, Ex-Cubs. With these and Pyle, L. Fye, Pilkington, Norris, Harry, Johnson, Mixgrave and Blythe, Kaufman is out to upset the dope.

Hunt, runners up last year, are likely to play high again if material means anything. Their main strength is Bledsoe and Shepley, Ex-Cubs. Trotter from Burleson College, Turner from Wesley, Myrick, Beans, and Trout, and Cooper, all of whom are good men.

The Collins Club is another dark horse in the tournament, having a wealth of material and plenty of pep. Ed Taylor, Ragsdale, Harpers, A. and F. McMillan, Kirby and McQuinn, and McQuinn and Richardson are reported regularly for practice.

Thus it is convinced that those county will by all means finish first. Other clubs are at the height of this year. Coach John Mathis has some first class case stuff in Holder, Newman, Taylor, Harbars, Road, and others. Lamar seems to be the darkest horse in this dope. It is hard to get, but with Jordan Stone and Barnett things look rosy for Lamar. Pick your favorite club and stay behind it. Games this one

## WOOD COUNTY CLUB

The "Old Gang" is all here again. The club had excellent attendance Monday evening and it appreciates the co-operation of the Wood County teacher and visitor that is working with it. Everybody who is just what the club is trying to do.

The president made a very timely speech about finance, athletic and entertainment. The result was an unanimous election of coach and assistant coach. The election was held in five minutes at 7:15. Members began to pay the fee while he was talking.

Although the coach and assistant were selected hurriedly, their ability and form was not overlooked. John Pink was elected coach, and Clay Chees of the local school was elected assistant.

After getting the business of the club transacted, the crowd was equally divided and very involved in the social part of the evening. They were enjoyed very much, but not so much as the ice cream served two hours after assembling. The favorite yell was given and all went happily home.

## KAUFMAN COUNTY CLUB

The campus in front of the Main Building was the scene of much amusement Tuesday evening. The Kaufman County Club held the second meeting of the year. Few people were present. Many County would have recognized their serious-minded president, after which a short business session was held with the president of the club presiding. The club meets next Tuesday evening, June 18, at seven o'clock for a contest in polymer ball. After adjournment refreshments were served to about 50 members and guests.

## COLLINS COUNTY CLUB

The students of Collins County held Thursday evening, June 10, at seven-thirty o'clock for the purpose of reorganizing. Officers were elected as follows: President, Frank Kirby Jr.; Vice-president, James Byers; Secretary, Sara Lee; and reporter, Anna Littrell. Chairman of Committees, Social, Bee Littrell; Program, Robbie Parker; and membership, Jamie Byers, pep leaders, Ruby Johnson and Audrey McQuinn.

Miss Inez Evans was chosen as club sponsor.

It was noted that the club should meet south of the Industrial Hall every Monday evening at seven o'clock.

The club colors are to be green and white. A suitable motto will be voted on at the next regular meeting.

The charter members are: Lee Bellows, James Byers, Mildred Copeland, Wilma Copeland, Arlene Taylor, Margaret, Paul Dickinson, Minnie Freeman, Paul Henderson, Ruby Johnson, Frank Kirby Jr., Inez Evans, Anna Littrell, Sara Lee, F. McMillan, Audrey McWhirter, Inez McWhirter,

Opal Oenell, Robbie Parker, and Hoyt Smoot. The prospective members as named by members of the club Monday evening are as follows: Phyllis Akens, Earl Allen, Mrs. Ed Allen, Willie Atterberry, Orj Bell, Opal Brockmank Paulie Cantrell, Miss Copeland, Margaret Duckworth, Eva Edwards, Viola Duckworth, Mrs. James E. Edwards, Mrs. W. E. Frasier, Marvin Harper, Mrs. Marvin Harper, Melvin Harper, Willie Harper, Arville Haggles, Thelma Hughes, Ollis Jarman, John Lair, Neve Lear, Loyd Lee, Annie Lee Miller, Lola McWhirter, Kay Meyers, Ette Parwater, Adolph Richardson, Ed Richardson, Odell Scott, Claude Smith, Mrs. C. W. Smith, Hal Smith, Cyrie Taylor, Oleta Taylor, Monnie Teton, and Annie Mae Todd.

The charter members and prospective members total sixty-one. Other than that were not able to be named belong to the organization. It is noted that each individual of the Collins County club align himself with the club and become acquainted with the other members. Come join, and be a regular attendant.

Students predict a wide awake person who believes in his county so much that if all members will co-operate, the club cannot help but be one of the most successful organizations of the East Texas State Teachers College.

## CASS COUNTY CLUB

Many new members met with the Cass County Club at the regular meeting on Tuesday, June 11. Mr. D. H. Boon, the energetic president of the club, surprised and delighted the club members with the introduction of the new members who were represented by Messrs. Brooks, Finlay and Clyde Brock; Messrs. Stokes and Glass. These fellows performed well as good "suckers."

The introductory procedure, the presentation of the "Royal" prize pin to Cecil Wood, created rousings of laughter. These special images were rejected: Imagining J. B. Frost being laughing; Byron Ball, hungry; Mrs. Stokes, jealous; and Daniel Boone as a light house keeper.

Russell Duncan was elected manager of the basket ball team. Eighteen men registered for practice. These boys are winners; look for keen competition. Messrs. Shackelford, McPherson and McQuinn were appointed as special county committee.

Special: Picnic Tuesday, June 18, 6:30 p. m. Meet in front of Main Building where the club will play to Chicago. The sixty-four members who were present at this meeting are sure to go. If the rest of the Cass County people in E. T. know the "secret", you'd certainly be on hand Tuesday 6:30 p. m. Join in with the good folks. Boys play twenty-five cents to the school in cash and bring fruit; girls make sandwiches.

## HOPKINS COUNTY CLUB

Monday evening at seven o'clock the Hopkins County Club held its regular meeting on the campus in front of the Main Building.

The club is one of the oldest, peopled and has been the largest club on the campus. Anyone is eligible who has ever lived or taught in Hopkins county, and knows anyone whose county is not organized. Come out and be a member. The club is always known as an up-and-going bunch and has been famous in the past for watermelon feasts, Elberta peaches, and going to the Old Settlers Reunion at Sulphur Springs every August. Mr. and Mrs. T. H. Brady formerly from Hopkins county are very interested in the club as they have manifested each year and we are planning some very great times in their home and at Brady's Grove.

"For fun such as you haven't had before hunt up your funny face and come out. There is no need to be nervous. You will have a good time, you know that already. So put on your cap and join up with Hopkins on the map."

## STUDENTS PREDICT WEATHER IN CLASS

Makes Weather Prediction of Part of Courses.

East Texas Geography Class By use of the barograph and other meteorological instruments, the Geography Class of E. T. is able to make weather calculations. These forecasts are interesting. These forecasts are interesting by virtue of the fact that they are made by students and that they are made denouncing Texas weather.

Weather for Tuesday and Wednesday, June 18-19, as forecast by the Geography II class. Partly cloudy, with probable showers. Moderately cool for the middle of June.

Last week, a forecast was made but through some error never reaches the copy book. This forecast was in exact correlation with the prevailing weather.

### PROGRAM OF PLAYS

THE OFFERED (Continued from page 1.)

honias save the life of Captain John Smith.

The second play shows an incident in the life of General George Washington. The story is built around the famous painting, "Little Betsy Deakin."

The third is based on an incident called "White Aster." This play will cause a gasp to modern youth even while you admire the brave girl who so charmingly saves the Cross de Quieres on the coat of her blind soldier boy.

These plays are being coached by Mrs. L. De Frazar, advanced reading student, assisted by Miss M. H. Epperson and Mr. Cooper. It is a treat in evening of delightful entertainment and if you want to see a type of play that can be used easily in your school next year, be sure to attend this program, which will be given in the New Auditorium, Friday night—June 21, at eight o'clock. Admission, 25 cents, no reserved seats.

### EAST TEXAS TO HOLD FORENSIC CONTEST SOON

Speech Department Sponsors Oratorical, Declamatory and Extempore Speaking Meet.

Preparations for the annual oratorical competition and extempore speaking contest are being made, according to statements made by Miss Mary Webster, instructor of Speech, of this contest is open to all students of the E. T. & T. C. campus. The contest is being held for the purpose of it to increase interest in this field of work.

"During the past year, some creditable work has been done in these contests," states Miss Webster.

"It does not matter so much whether the contest is the first prize or the experience in the work is sufficient to repay all effort."

"All interested in this work are asked to meet together Wednesday June 16 at 8:30 A. M. in the old auditorium."

#### THIS WEEK

So many students are trying to catch up on their neglected reading that they are using the library late at night.

#### THIS WEEK'S TUESDAY

Put a girl's dance to be held in the old gym starting at 7:15. Music will be furnished by the orchestra. Some of the songs are the "Lullaby" and "Promises to be a Word, No More."

The admission is 10 cents to 10 cents in order that everyone can come. Drill out and fill up with exercises.

THERE HAS BEEN requests for the English Club to meet this summer. The club has lost a good many of its members on account of graduation and therefore the club is usually closed. It is usually thought to be a good idea to meet to see to it that everyone is kept up to date on their school work.

### Junior Sponsor Girls Dance in Gym Tuesday

A masquerade dance sponsored by the Junior Class, was held June 11, in the Old Gym at seven o'clock. In spite of the fact that there were no representatives of the fair opposite sex, a splendid time was enjoyed by all the girls present. Miss Vera English made an encouraging talk over-riding in order that she might have the pleasure of chaperoning the group of girls who had come out to indulge in dancing a short while. A large group enjoyed Miss Vera's plans and joyfully came back to play for them at the earliest date possible.
